

Americans spend an average of \$4,695 per person each year on health care – a number that continues to rise\*.

Considering the amount of money each of us spends on health care, shouldn't we be sure that the health insurance we have purchased is designed for our needs? Solutions Insurance is focused on your health insurance needs. Whether you are looking for **individual, group, short-term, or Medicare Supplement insurance**, Solutions Insurance wants to help find the products and services that best fit your needs. We are health insurance specialists determined to provide products designed for you and service that is second to none.

# Concerned about your health insurance?

Get a **second opinion** of  
your **health insurance** needs.

# A Second Opinion of Your Health Insurance Needs

Just as you would get a medical second opinion, you owe it to yourself and your family to contact Solutions Insurance for a valuable health insurance second opinion. As your local independent health insurance agency, we pride ourselves on matching you to the policies and services that suit your budget, deductible, and benefit needs.

## Customized Coverage

What sets Solutions Insurance apart from the rest? Expert, customized, friendly service aimed at creating a health care plan that meets your unique needs. Solutions Insurance can outline customized coverage for you, your family, or small business. No matter if you are single, married, a family, self-employed, or retired, Solutions Insurance will find the coverage to match your lifestyle.

## Group Insurance

For small business owners, finding a group health insurance plan with good benefits while keeping costs down can be a daunting task. Solutions Insurance can help. Whether you have two employees or fifty, we will help you secure a plan that satisfies the health needs of your employees

while exceeding your expectations for service. Don't spend your time looking through endless amounts of group health insurance information, call us today and we will make the process simple.

## Always Be Protected

Short term health insurance is designed to help you maintain health benefits in periods when coverage may be lacking, such as a job change. It can offer similar health insurance benefits during the down time in between your old health insurance coverage ending and your new health insurance kicking in. Solutions Insurance has products that can meet your needs and the service to help you avoid extended periods of time without coverage.

## Maintaining Medicare

If you are having trouble understanding your Medicare coverage choices, you are not alone. We can help you sift through the Medicare Supplement, Medicare Advantage, and Medicare Part D prescription drug options to identify what adds up to the best health plan for you. Don't go it alone. Let Solutions Insurance help you find the best Medicare benefits for your needs.

## Find Your Solution

Finding the right health insurance can save you money. The key to finding the best insurance for your needs is working with a knowledgeable agent. We have the knowledge and experience to find the right company and the right products for you. You deserve expert advice and service with your needs in mind. Allow us to simplify the health insurance experience for you.
